Patient Lifestyle & Disease Data Interactium

Would you like to work with researchers to co-create resources to:

- Accelerate the development of effective treatments
- Improve Patient-Reported Outcome Measures (PROMs)
- Inform healthcare decisions?

Express your interest to become part of our PaLaDIn Patient and CareGiver User Group (PCUG) here!

PaLaDIn
Patient Lifestyle & Disease Data Interactium

What will I be expected to do?

- Provide your patient or caregiver perspective on the activities of PaLaDIn
- Support the development of the PaLaDIn Interactium® data platform, through engagement and user testing activities
- Provide input on specific tasks to facilitate successful completion of project milestones and deliverables
- Attend and participate in virtual/face-to-face PCUG kick-off meeting
- Attend and participate in virtual/face-to-face meetings/workshops when required

How often will I be expected to participate ?

- The PCUG will meet virtually, as required, to provide support and feedback to the PaLaDIn Project
- PCUG members may be invited to attend face-to-face meetings
- The PCUG will meet via virtual call once every two months for 60-minute meetings

Will I be compensated for my time?

- Yes. Members of the PCUG will be reimbursed for their time and commitment. Further information is provided here.

Apply to the PCUG here before 28th November 2025!
